

Hello everybody

WARIDELs, VARIDELs et VUARIDELs, from every continent !

After the meeting of 29th October 2016, here is the 2022 meeting.

As you know, it should have been organized in 2020, to celebrate Petrus Varidel's 600th anniversary, and his descendants' ; but the sanitary situation obliged us to do it differently.

I believe this year we pretty certain to be able to hold our meeting, so please register !

New : W-V-Vuaridel market !

I suggest all of you who draw, paint, write, create objects or make food or non-food products to be able to show your work or sell them, in as much as space is available. You can announce your intention on the booking form.

Programm of the day

Meal, historical and genealogical presentations, exhibitions of ancient documents or art work, market, A price of CHF 40.- per adult (children, students : 20.-) will be asked including the meal (prepared by a caterer) the renting of the venue, organization expenses and a part in my research expenses. More details will be given following registration, nearer the time of the event.

Venue : Community Hall / Thierrens (same as announced in 2020) !

Google address : 46°42'17.2"N 6°45'24.2"E

Any of you who would like to report on a research on their own family branch can contact me to make a presentation of it ; I would be delighted to give you some space in the programm, if possible !

If you possess family documents that I still don't know of (ancient pictures, official documents, old correspondence, family trees, special objects, ...) I would be extremely grateful for you to make them known to me, the way you choose. I promise I will send the original back to you as soon as I have studied them ; we could also meet for this purpose.

The present communication is also published on the family website (www.leswvvaridel.ch) and emailed to all VARIDELs, WARIDELs or VUARIDELs from here and there whose address I could find. But I would be very grateful of your passing on this information to all your relatives so that nobody will be missed out (by blood and marriage, even if they don't bear the surname W-V-Vuaridel).

I am looking forward to meeting you again or to getting to know you !

Warmest greetings

Marc Varidel
Ste-Croix / Vaud / Switzerland

Formulaire d'inscription

(Time limit for your response : end May 2022)

Surname :

First name :
